User says

"I want to start working out, but I do not know what to do each day."

User thinks

Wants a clear plan that matches the goal and intensity, and can be changed if it does not suit.

User does

Enters personal details, reads the generated plan and gives feedback.

User feels

May feel confused by generic plans or unsure about exercises, sets and repetitions.

Pain points

Costly trainers, generic online plans, no way to adjust a plan.

Needs

Simple input, personalized weekly plan, practical tip and easy revision.
